

The Harmony Trust PSHE Newsletter

Spring 2 2024

Learning in PSHE this half term is based around health and well-being and relationships education which is taught through the Zippy and Apple modules. Children will learn about how to keep themselves safe online whilst others will learn about keeping their bodies safe and free from drugs, tobacco and alcohol.

Relationships Education:

Year 1

In Year 1, the children will learn some rules to help them communicate how they feel. They will learn how to listen to others which helps them to develop empathy as well as being a skill that helps children to learn. They will also learn to ask for help and receive help from others and will practise telling others what they feel like and how they feel in awkward situations. They will learn what to do in an emergency and learn how to make a 999 call.

Year 2

In Year 2, the children will improve their ability to resolve conflict. They will learn how to recognise the nature of problems and recognise good solutions. Children learn how to cope with bullying, identify the feelings which develop in situations involving bullying including anger. Children also learn that it is important to seek help in emergencies and also how to help others to resolve difficult situations.

Year 4

In Year 4, the children will learn about what being a 'good listener' looks like and how they behave. They will develop strategies to say and identify their own feelings and will develop some strategies to help them say things in difficult situations. They will also remind themselves of good and bad manners and how they behave in different relationships and situations.

Keeping Safe Online:

Year 3

In Year 3, the children will develop their knowledge and understanding of how to be SMART when online. They will learn how to take responsibility for their own online security through keeping their data and personal information secure. They will also work through some scenarios on how to be kind online and what to do if someone upsets them, or asks to meet them.

#berespectful

Drugs, Alcohol & Tobacco:

Year 5

In Year 5, the children will look at drugs, both legal and illegal, smoking, alcohol and will investigate the health risks associated with them. They will gain a better understanding of smoking, including vaping, and the consequences associated with smoking, drugs and alcohol. This links well with their Science learning and how to keep their bodies healthy.

#besafehealthyandhappy

Top tip:

**Make respectful choices when online.
Always speak to a trusted adult for help and support.**

#aspirational

Aspirations:

Year 6

In Year 6, the children look at greater details of their successes and achievements and how to set themselves goals and aim high. They will gain a greater understanding of what they need to acquire and achieve their goals.
